# 1. ABOUT PRE-PRIMARY EDUCATION

---

The Pre-Primary curriculum at **EDUNAMI PUBLIC SCHOOL** is designed to foster curiosity, creativity, communication skills, social development, and foundational learning through engaging and age-appropriate activities. At this stage, we focus on providing a warm and welcoming environment that acts as a bridge between home and school.

Our philosophy revolves around the following pillars:

- **Child-Centered Learning:** Tailoring activities to match the pace of every child.
- **Holistic Development:** Focusing on mind, body, and spirit.
- **Learning Through Play:** Using educational games to teach complex concepts.
- **Emotional & Social Development:** Building empathy, teamwork, and resilience.
- **Creative Exploration:** Expressing through art, music, and performance.
